Segreteria Organizzativa, Lucca Comics & Games 2007, Via della Cavallerizza 11, 55100 Lucca, tel. +39 0583/48522 fax +39 0583/91203. Or by email sent by and not later than 30/6/07 to info@luccacomicsandgames.com.

2. A deposit equal to 30% of the total cost of the booth must be lodged by and not later than 30/6/2007 by bank transfer made out to Lucca Comics & Games S.r.l. , c/o Cassa di Risparmio di Lucca Pisa Livorno- Piazza S. Giusto 10, Lucca - ABI 06200 - CAB 13701 C/c 000004034864 cod. cin. Z , or to postal current account n° 62514690 made out to Lucca Comics & Games S.r.l. c/o Poste Centrali - via Vallisneri, naming the reason for the deposit as Anticipo Stand [Booth Deposit], and pointing out the name of the company. Receipt of payment must then be sent or faxed with the application form to the Organisation Office at Segreteria Organizzativa, Lucca Comics & Games. Booths will be assigned on the basis of first come, first served and according to the final decision of the Organisation. Allocation of the space will be communicated to the Exhibitor by letter, fax or email. The Organisation will consider the application forms received within the 30/6/2007 and will assigned booths that are still available until all the booths have been assigned.

3. Final payment must be made by and not later than 14/9/07. Failure to make final payment by said date will result in being excluded from taking part in the Convention. The company Lucca Comics & Games S.r.l. will not return the sum paid as deposit. Payments will absolutely not be accepted during the Convention.

4. The Convention will start on 1/11/2007 and will remain open from 10.00 a.m. - 7.00 p.m. On 2, 3, and 4 November 2007 the Show will be opened from 9.00 a.m. to 7.00 p.m.

5. Absence on the opening day will constitute the Exhibitor's tacit decision not to take part in the Convention and will result in the company Lucca Comics and Games S.r.l. retaining the total amount paid, including as payment of damages.

6. Exhibitors will be able to have access at the Convention center in order to set up their booths from 9.00 a.m. to 10.00 p.m. on the day before the opening of the Show (this year the 31/10/07). Only registered Exhibitors within said hours will be able to set up their booths until 10.00 p.m. Setting-up may also be done between 7.30 a.m. and 9.00 a.m. on the opening day (1/11/07). On the remaining days, exhibitors may access their booths an hour before the Convention is opened to the attendance (i.e., at 8.00 a.m.). Stalls may be dismantled only from 7.00 p.m. to 11.00 p.m. on the last day of the Convention and from 8.00 a.m. to 1.00 p.m. on the following day (i.e., 6/11/06). Such operations will on no account be permitted outside the given times and could lead to exclusion from taking part in future Conventions.

7. Exhibitors who require to ship their equipment or materials with a courier or a carrier outside the given times must communicate this beforehand to the Organisation and leave the packed equipment and/or materials in a place agreed with the Organisation, for no longer, however, than two days after the Convention closes. A portage service for transferring such equipment and/or material may be requested (see Optionals Form). No kind of private vehicle is allowed in the exhibition area during the Convention. The Organisation asks Exhibitors to use full care and diligence when setting up booths. It is, in any case, forbidden to allow materials to exceed the dimensions of the booth or to allow them to obstruct passageways and common areas. In such cases, the Organisation reserves the right to arrange for compulsory removal of materials that exceed said dimensions. Compensation for any damage caused by the Exhibitor to the assigned booth must be fully paid to Lucca Comics & Games S.r.l., which, however, reserves the right to take legal action. The Organisation requires that goods, materials, mountings and gear brought to the Convention by the Exhibitor be covered by an "allrisks insurance policy" that waives any compensation from third parties, including from the company Lucca Comics & Games S.r.l. The Exhibitor expressly exempts the company Lucca Comics & Games S.r.l. and the "Comune di Lucca" from liability for damage, however caused, that may occur to the goods, materials, mountings and gear brought to the Convention and gives prior waiver of any kind of action for responsibility on said company's part. All Exhibitors are given Civil Personal Liability coverage for physical injury or damage caused to third parties. For the purposes of this guarantee, Exhibitors are regarded as third parties one to the other (with the exception of damage to things).

8. The list of names to be included on badge must reach the Organisation Office by and not later than 21/9/07. Thereafter, said badge can be picked up at the Exhibitor Services Desk on-site at the Convention Center located outside of the Games Exhibit Hall.

9. All delivery and transport costs will be borne by the Exhibitor. The Organisation is relieved by the Exhibitor of liability for injury or damage to persons and things resulting from any event such as theft, loss, deterioration, fire, acts of vandalism, socio-political events, weather conditions, etc., that may take place during transport to and from the Convention or during the time that the Convention takes place. A surveillance system will be in operation throughout the whole duration of the Convention.

10. It is forbidden to exhibit goods in the allocated space that are at variance with the types of goods specified on the Application Form or goods that may damage the image of the Show. Failure to comply with these prohibitions may result, in the final decision of the Organisation and in relation to the gravity of the failure, any or all of the following: compulsory removal of the material exhibited, immediate closure of the booth or area, withdrawal of the badges, and ban the Exhibitor from entering the places in which the Convention is taking place. The company Lucca Comics & Games S.r.l. also reserves the right to apply to the competent judicial authorities.

11. The Organisation's decisions are final and cannot be appealed against. The Organisation, in its unchallengeable judgement, reserves the right to alter the dates on which the Convention will take place, vary opening and closing times and change the internal distribution of single structures. Such variations will not give the Exhibitor any right to reimbursement.

12. In the case of force majeure the Convention may be cancelled without any responsibility falling on the Organisation.

13. The Application Form is personal and the assigned booth cannot be given to others. Should it be, the allocation may be cancelled.

14. In case of any dispute the Italian version of the Conditions of Partecipation is the legally binding one.

15. Taking part in our Convention depends on acceptance of all these Conditions of Participation which form an integral part with the Application Form. Participation does not imply any duty of hospitality on the part of the Organisation.

16. The Exhibitor elects domicile in the head office of Lucca Comics & Games (Via della Cavallerizza 11, 55100 Lucca). In the case of any dispute, the Court of Lucca has exclusive competence.

17. For anything not foreseen by these Conditions of Participation, please refer to the dispositions in the Civil Code.

In applying to participate in Lucca Comics & Games 2007 I declare that I have read and accept these Conditions of Participation and undertake to observe them and to ensure observance of them in all parts by others working with me at the Convention.
